Hendersonville – The Henderson County Sheriff's Office conducted a license checkpoint on Friday, April 27, 2007. This checkpoint was held on Airport Road in the Tracey Grove Community.

Personnel from the Sheriff's Office were at this location from 5pm until approximately 8pm. During this three hour period a total of 34 citations were written, including 1 child seat violation, 1 seat belt violation, 2 driving while license revoked violations, 13 no operators license violations, 14 citations for expired inspections, 2 expired registration violations and 1 no motorcycle endorsement violation.

This license checkpoint is the most recent effort of the Henderson County Sheriff's Office to make the roads of Henderson County as safe as possible. "Together we can make the roads of Henderson County as safe as possible" says Sheriff Rick Davis. "These checkpoints are designed to catch those that are driving while impaired, not wearing their seatbelts, driving without a license and many other infractions."

"This checkpoint is the fourth conducted by the Sheriff's Office over the past few months and we continue to find success getting dangerous drivers off the road and educating the people of Henderson County about safe driving techniques and habits" says Deputy Jason Cordell, Traffic Officer with the Henderson County Sheriff's Office.
